(An Institution of the Child Education Society (Regd.) Delhi)  
MB POWER, ANUPPUR  
PRINCIPAL'S ANNUAL REPORT (2022-23)

*“Do not train a child to learn by force or harshness; but direct them to it by what amuses their minds, so that you may be better able to discover with accuracy the peculiar bent of the genius of each.”*  
— Plato

Dear Stakeholders,

Season's Greetings and warm wishes for a jubilant and constructive year ahead. As we are approaching to the end of this academic year and our 10 years of service towards providing quality education since our inception in 2012, we take this opportunity to thank the Almighty Lord for His abundant blessings and guidance from our well-wishers.

**There is a great saying:** *“Real education fetches you more than a job. It teaches you to live. It cannot be measured in any tangible way.”*

As we share the yearly updates of our activities, we take the modesty to say that we did our best to do as we had planned and we are proud of our students and teachers who strive hard to achieve beyond expectations.

**ACADEMIC ACHIEVEMENTS:** Many elements go into making a quality learner, including health, early childhood experiences and home support. Our learners know it well that perseverance leads to confidence and confidence leads to competence. We hold the pride legacy of scoring 100% result in AISSE since last five years. In the session 2020-21 Pisupati Sricharan stood first in the school securing 96.4 % marks. In the session 2021-22, Manasvi Bhatnagar stood first in the school securing 96.4 % marks in AISSE & Ishita Agrawal stood first obtaining 92 % in AISSCE.

**CURRICULAR & CO-CURRICULAR ACTIVITIES:** The development of learner's cognitive, affective and psychomotor domain is supported by the school through curricular and co-curricular activities throughout the academic session. Regular parent - teacher meetings & parent – principal interactions helped us to ensure maximum participation of parents to improve the scholastic and co-scholastic areas in school-related activities. School has taken some extra efforts to improve the quality of students' performance. Remedial Teaching Programmes are organized for students of VIII - X & XII before & after the regular school hours.

**OLYMPIADS:** The curriculum-based assessment tool allowed teachers to determine students' level of mastery of previous and current years' curricula, which helped them determine the extent to which alternative instructional strategies and remedial content were necessary for both individuals and groups. This approach resulted in significantly improved outcomes. School has been conducting these Science Olympiad Foundation sponsored

Olympiads. The young learners have shown astounding performance in this exam. The results are yet awaited.

Ishaan Dubey came up as a Position Holder of Zonal Rank in SOF (IEO): 2020-21 & secured 8th rank at regional level & international level. He has been awarded with Zonal Gold medal, gifts worth Rs. 1000/- & Certificate of Zonal Excellence on 13th March 2021. For the current session, the exams are being conducted.

**“The students have painted yet again a vibrant success story on the canvas of our proud legacy.”**

**“Kudos to the entire team for their zeal and vigour!”**

**DRISHTI: THE INNOVATIVE VISION:** Drishti: The Innovative Vision 2021-22 was conducted in online mode. In the session 2022-23, the one-day Annual Exhibition held on 2nd September, 2022 focused on ingraining a scientific and creative attitude in our young minds to make them comprehend the interdependence of science, social science, language, visual & performing arts, information technology and society by a hands- on experience.

**The INSPIRE Awards: 2021-22:** It's a matter of profound elation for us to unveil the news that third time in a row, this year as well four of our students have been successfully able to

win the prestigious INSPIRE Award for their innovative project. Our students Avika Upadhyay of Class-VII, Sibasoumya Mahapatra of Class-VIII, Prajakta Das of Class-IX & Ishaan Dubey of Class-IX have got the INSPIRE Award: 2021-22 for their Science Projects: Aesthetic Garden, Paneer Purity Detector Kit, Plasto house, Advanced and Affordable Cooler respectively. All recipients have been awarded a cash prize of Rs 10,000/-.

**Our Achievers in the 2<sup>nd</sup> Level of INSPIRE MANAK Award: 2021-22:** It's been a proud moment for BBPS Anuppur when Avika Upadhyay of Class-VII added fame to the School by qualifying the 2nd Level of Inspire Award Competition. Her project: "Religion and Environmentalism: Go Green Idol" has been selected for State Level Exhibition & Project Competition (SLEPC).

We take this pleasure to proclaim that out of five, four of our students – Avika Upadhyay, Class VIII, Sibasoumya Mahapatra, Class IX, Ishaan Dubey, Class X & Prajakta Das, Class X were selected at the district level. They represented the district at the event in Satna and 3 of them, Avika Upadhyay, Ishaan Dubey & Prajakta Das have been selected at the zonal level for the State Level Competition to be held in Bhopal. It's indeed a pride to announce that at the zonal level, 8 districts with 138 projects participated out of which only 13 students were selected and amongst them 3 out of 4 students from our school are going to represent the school at the State Level.

**"This is yet another landmark of success and we have miles to go."**
